

MyFrog App for iOS and Android

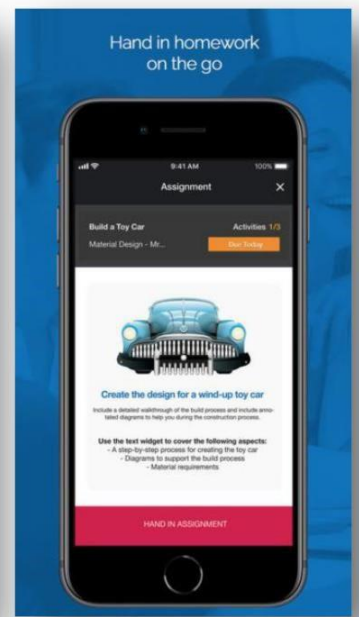

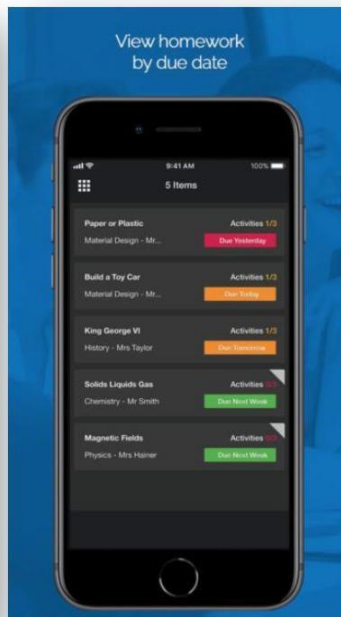

Using this app, students and parents can see their homework, dashboards, calendar and timetable all in one place. Students can see, complete and hand-in all their homework. The app gives real-time notifications to help remind students and parents what assignments they have and when they are due.

Benefits for students:

- Hand in Homework
- Complete Quizzes and Activities
- Notifications direct to your mobile device whenever a piece of homework is set
- Keep track of your homework
- Day by day calendar / planner
- View your real-time timetable

Benefits for parents:

- See behaviour and attendance data
- Receive notifications whenever homework is set
- Keep track of all your children's homework in one place
- See timetables for each of your children
- Calendar view shows what work has to be handed-in and when

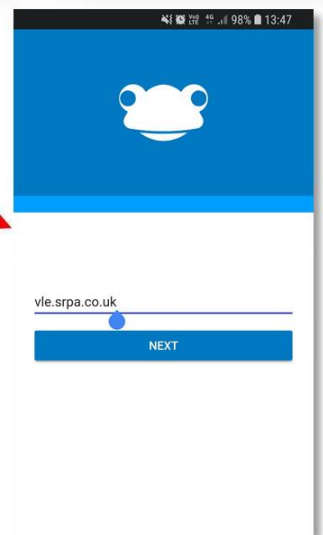

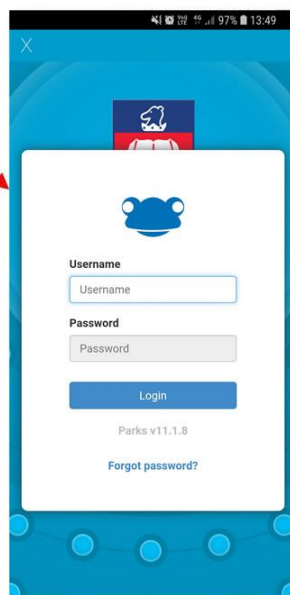

To log in enter school url: vle.srpa.co.uk

Then enter Username and Password
