Dear Parent/Carer

## General update regarding Covid-19

I hope this week has started well for you and is being kind.

I have been made aware of a second positive Covid-19 test in Year 8. I am writing to inform you of this and to discuss next steps.

The youngster in question has not been in school since 11 September, now 11 days ago and was only recently tested. I have spoken to experts at the Department for Education and Public Health England at length this morning. Due to the period of time that this youngster has been out of the Academy, **there is no further action for us to take**. As a result, we will not be sending any students home.

The student in question continues to self-isolate and will continue to do so as expected for the coming days now that a positive test result has been received.

I will keep you apprised of any changes to our circumstances as they happen. In the meantime, we continue unabated and with no restrictions.

Have a good week. I will write again soon.

Yours faithfully
