

Sir Robert Pattinson Academy

Via Diversa Vita Una

13 October 2020

Dear Parents and Carers

National Online Safety

Our pupils have never needed to navigate the online world more than they are currently as they use a variety of Apps, web based learning and resources to complete their home learning.

Last year we were delighted to announce that Sir Robert Pattinson Academy had achieved our National Online Safety award. Since then this has proven invaluable in accessing support, training and resources to help us protect our pupils online.

In order for the Academy to continue to access this vital support, we need to seek reaccreditation. In order to achieve this, the awarding body requires parents/carers to complete a short interactive online workshop. We hope you would agree this is worthwhile to enable us to protect our pupils best and that you feel able to support us.

The course can be taken at your own convenience and covers:

- Information about online dangers and the newest platforms
- What online risks to look out for and how to protect your child

Parents and carers who have completed the course have told us they feel better informed to monitor and protect their child/children. We hope you find it equally as useful.

Please find below the URL you need to visit (or click on) to register your account. You will need to complete your details and select "I am a: Parent/Carer" from the dropdown:

is <http://nationalonlinesafety.com/enrol/sir-robert-pattinson-academy>.

Once you have registered, you will be able to access the "Online Safety for Parents and Carers" course and National Online Safety's Resources (which includes 50+ online platform guides on the latest social media channels and games). This aims to help empower parents with the knowledge to protect their children from the dangers of the internet. If you have any questions, or trouble accessing the course please contact support@nationalonlinesafety.com or enquiries@srpa.co.uk.

Yours faithfully

Mrs R J Gilbert
Assistant Head Teacher

Head Teacher: Mr D. J. Hardy BA (Hons) PGCE
