## Y6 Transition

Dear Parent/Carer,

May I first take this opportunity to say hello and welcome you on the very first steps of your Sir Robert Pattinson Academy journey. I am sure you and your child have many questions and are already starting to think about the Y6-Y7 transition and how this may look over the coming months. I wanted to write this letter to not only introduce myself but to also make sure that your fears are allayed. We have our new Y6-Y7 cohort at the very forefront of our minds and you will be hearing from me regularly over the coming months to give timely updates and reminders.

My name is Mr Adlington and my role within the Academy is Executive SENCO (Special Educational Needs Co-ordinator). Alongside this role, I also teach science and look after Y6-Y7 transition. As a previous Y6 Primary School teacher I can appreciate where the students are coming from and what worries they may be experiencing right now about their move to secondary education. Tell them not to worry, we've got this.

Very soon we will be contacting your child's primary school to begin gathering the key information that we will need to ensure we are well placed to help your child have a successful transition to our Academy. I will also be contacting your child's school to begin exploring the options for summer term visits so I can come into your primary school to not only meet your child, but you also. This has proved very successful in the past as it gives us all the chance to meet and answer any questions you may have.

We are very much looking forward to meeting you and working with your child very soon. I will be writing to you every fortnight over the coming months to keep you informed of any transition information. But in the meantime, if you feel you need to reach out then please do not hesitate to contact us through our specific transition contact email address at [transition@srpa.co.uk](mailto:transition@srpa.co.uk).

I will write to you again soon.

Yours faithfully
