Dear Parent/Carer,

Y6 Transition

I hope you have been keeping well and enjoying the good weather. The term is quickly running away with us and here we are with a matter of weeks left of this academic year.

You will be aware that we were planning on inviting our Year 6 cohort into the Academy in this summer term. We are now in a position to share these details with you and look forward to welcoming the students to our Academy. These visits will give your child the opportunity to see the Academy in its entirety and crucially to meet some of the key staff they will be working with when they join us in September. Your child will also have the chance to ask any questions they may have and to meet some of the students who will be joining them in form and house later this year.

Below you will see a breakdown of when each primary school is due to come in and spend some time with us. It details the key times you need to be made aware of and what your child will need to bring with them on the day. It also shows if you are due to come in for a morning session, or an afternoon session.

Your child should attend in their normal school uniform and it would be advisable that they attend with appropriate sun protection (cream, hat) where necessary. Your child may wish to bring a snack and a drink as there will be time for refreshments during their visit. Finally, we would like to thank you in advance for ensuring your child is dropped off and collected at the appropriate times. When you arrive on site at our Academy, you will see staff wearing red jackets who will be happy to direct you and support you where necessary.

When you enter the Academy site, you will not need to go through the green ANPR gates. Instead, please park cars and collect your child from the overflow car park to your left as you approach the green gates. Staff will direct you on the day.

In my previous letters I have mentioned our transition boxes that we will be handing out to all students who are joining us September 2021. We are working hard to fill these boxes with some very exciting resources and these will be ready for you and hand delivered to each student when we see them later in July 2021.

Thank you for sending in your medical form back to us here at the Academy. These are incredibly important for us to have back so if you are yet to return these, please do so at your earliest convenience.

Finally, we use a cashless catering system here at the Academy. This allows your child to use their thumbprint, or a simple 6 digit code, to purchase food in the canteen. This account can be managed by you from home on Parent Pay and you shall receive more information regarding these online payment systems before September. If you are happy to proceed, please sign the electronic consent form that you'll find on the letter. We will be asking the

students for their fingerprints on their transition visit so if you agree, we ask that you please complete the consent form before your transition visit date.

We are very much looking forward to meeting you and working with your child very soon. I will continue to write to you over the coming months to keep you informed of any transition information. But in the meantime, if you feel you need to reach out, then please do not hesitate to contact us through our specific transition contact email address at transition@srpa.co.uk.

I will write to you again soon.

Yours faithfully
