

# Sixth Form Student Leadership

There are always opportunities for students to develop their leadership at all levels in the Sixth Form, whether in the classroom, tutor group or as a student leader.

## Senior Student Leadership Team

Our Senior Student Leadership Team members are recruited based on their excellence inside and outside the classroom and their desire to make a difference. The core aim of our student leadership team is to ensure the effective representation of the student body.

The team together support at Academy events, collecting the student voice and help drive improvements in their areas of responsibility. School tours and supporting visitors to the Academy are also key roles and responsibilities of our student leaders.

Look out for our Sixth Form Student Leadership Team. **#SSLT #SRPA #SRPASixthForm**

## Governor Engagement Visit

The Sixth Form Student leadership Team had the opportunity to share their plans for the forthcoming year with the governing body on 16 June 21. Over that week they shaped their strategic plan to ensure they achieve all of the ambitious plans they have set out. We are proud of their efforts already and are certain they will have huge impact in their year in post. Congratulations to the SSLT on this first part of their journey year!
