Sir Robert Pattinson Academy is an 11 – 18 comprehensive school judged ‘Good’ by Ofsted due to the education and opportunities provided to pupils enabling them to flourish within a calm and caring environment. The school is situated on an extensive, large, beautiful site offering purpose built facilities.

#### ABOUT THE ROLE

We have an outstanding opportunity for an ambitious technician to join the established Science Department. The successful candidate will become part of a pivotal team supporting colleagues to raise standards and further drive progress at Sir Robert Pattinson Academy. We are seeking to appoint an innovative and motivational technician with excellent subject knowledge, particularly of Physics or Chemistry, and the desire and commitment to raise achievement of students at all levels. We are looking for a passionate and inspirational professional who would enjoy working in an exciting and rewarding environment and is prepared to contribute fully to academy life. The SRPA curriculum caters for KS3, KS4 and with a bespoke KS5 Science provision.

We are looking for a candidate who:

- Has experience in implementation and dissemination of all appropriate H & S legislation and guidance with respect to science education, including C.O.S.H.H (Control of Substances Hazardous to Health).
- Has outstanding technical skills to cater for GCSE and A-Level required practicals.
- Holds at least 2 years’ experience (secondary) working in a Science laboratory.
- Has experience in sourcing suitable materials and equipment, helping to compile orders, liaising or negotiating with suppliers and finance departments, and suggesting economic alternatives to maintain stock levels.
- Has a passion for Science, understanding how a passion for Science can transform young people’s lives
- Displays a caring attitude towards staff, students and parents.
- Has high expectations of self and others.
- Has experience handling ionising radioactive sources.

The successful candidate will be expected to support the delivery of the Academy’s Strategic Plan and adhere to our values. A level of accountability, autonomy and self-motivation is required for this role. If you are an enthusiastic team-player with a desire to make a difference and contribute to the successful learning of our students we would be delighted to hear from you.
