## Careers and Work-Related Learning

### Bulletin January 2023

January is always a busy and exciting time for Careers and Work-Related Learning.

#### Year 12

Year 12 students are getting ready to go out on their work experience placements (30 January – 3 February). They have been refining their CVs and covering letters. There are some very exciting placements to look forward to, we are looking forward to going out to visit the students in action! We would like to thank Dave Garraghty and Evie from Inzpire for coming in to talk about health and safety in the work place together with top tips for making a good impression on your first day.

## Year 9

Year 9 students are busy preparing for their GCSE options choices. They have their options evening coming up to give them information about the different subjects and some have attended Aspiration clinics with Mrs Taylor our external careers advisor to discuss their potential options for the future. If any student in Year 9 would like to book an interview with Mrs Taylor, please see Mrs Mather to book an appointment.

## Year 13

Years 13 students are submitting their final university applications before the UCAS deadline on 25 January. Many students have now received all of their offers and are in the process of deciding which offer to accept as their firm choice.

# SHOWCASING OPPORTUNITIES TO FUTURE TALENT

## **FESTIVAL OF APPRENTICESHIPS 2023**

The Festival of Apprenticeships is back in 2023, kickstarting the year during National Apprenticeship Week with a week-long online event featuring a wide variety of apprenticeship opportunities.

Then in the summer, the festival returns with a roadshow exhibition promoting and celebrating all things apprenticeships. More than just a careers fair or conference, the event is a one-stop shop for anyone looking to find out more about apprenticeships.

With top employers and learning providers highlighting their talent and promoting opportunities to future apprentices, the event will serve as a showcase of excellence in the sector!

The event will feature the following things:

- **Career Zone** – Students will have the opportunity to visit a range of stands hosted by Employers and Learning providers showcasing their vast array of opportunities.
- **Skills Zone** – An area where visitors can learn about online resources, they can access to upskill themselves.
- **Employability Zone** – An area where visitors can learn how to find out about career opportunities, CV writing and completing applications.
- **Networking Zone** – An area where visitors, exhibitors and apprentices can meet and network.
- **Main Stage** – An area where visitors can hear from apprentices sharing their stories and journeys.
