19 May 2023

Dear Parent/Carer

Year 6 Transition

I hope my letter finds you well. As we move through term 5, transition plans continue to move ahead, and we are very excited at having the chance to meet our new students very soon.

Hopefully, you would have received our online admissions form via email to complete. If you have not yet received this from us, please contact us at transition@srpa.co.uk. If you have already completed the online admissions form and to those yet to complete, please accept this as a kind reminder to do so.

As part of the online application, you will have also received the **student transition worksheet** located in part 6. If this was not completed as part of your original application, please contact the Academy at transition@srpa.co.uk so that an alternative link can be sent to enable swift completion to inform our September 2023 planning.

We will be contacting your child's current school to request information to further advise our planning for September. This will be in confidence and the information supplied will enable us to prepare for September.

As mentioned in my previous correspondence, we are planning on welcoming your child to the Academy on **Thursday 6 July and Friday 7 July 2023**. We will also be inviting you to join us at the Academy for Year 6 Parents' Evening on **Monday 10 July 2023**. We have almost finalised these plans and I will soon be able to share this information with you. This will be an exciting opportunity for all new students to look forward to as it will give them the chance to see our Academy in action and meet some of the key members of staff who they will be working with in September and beyond.

Finally, I wanted to take this opportunity to introduce another member of our senior leadership team, Mr Griffiths, who has this update:

"Congratulations on securing a place with us in September! My name is Mr Griffiths, and I am a member of the senior team at SRPA, leading on careers, educational trips, and I'm also lucky enough to lead our successful Sixth Form."

I wanted to write to you to let you know that, upon arriving in our Academy, we will be planning activities, opportunities and visits to ensure you develop skills and qualities that make you 'highly employable and successful members of society' as we state in our curriculum statement.

"This is a calm, happy and caring school."

In my role, I have the pleasure of working with my team to make sure our careers provision matches up with what you need.

We will regularly ask you about your aspirations and career goals and we rely on your voice in tailoring our provision to your needs, as every year group is different.

I work very closely with Mrs Mather, our Director of Careers here at SRPA. Our careers team help you prepare for whatever it is that you want to do in the future. If you are interested in careers, our Careers Champions would love to meet you to help them plan and organise activities for all students at the Academy.

If, currently, you are not sure of your future career, don't worry as there will be lots of information and guidance to help you decide in due course. In the meantime, please think hard about the careers you are interested in as we will be asking for your thoughts in terms of a future job or career pathway on our induction days. This will help us make sure our Aspiration Wall is ready when you arrive in September, as well as supporting you with exploring the careers you are interested in.

Finally, I can't finish without mentioning our Sixth Form, which has recently been rebranded as RP6th. We have also launched our new website RP6th.co.uk – take a look! When you join us in Year 7, we see this as the first year of a seven-year journey that will finish in our Sixth Form.

Our Sixth Form student leaders will be supporting you on induction days and they will be able to answer any questions you have as they have already been with us for six years. Our Sixth Form students are always there to support and, in September, a number of them will be paired with you to make sure you get off to a great start in your first year".

We are very much looking forward to meeting you and working with your child very soon. We will continue to write to you over the coming weeks to keep you informed of any transition information, but, in the meantime, if you feel you need to reach out, then please do not hesitate to contact us through our specific transition contact email address at transition@srpa.co.uk.

I will write to you again soon.

Yours faithfully

Mr G Kirk
Director of Achievement
Key Stage 3

"This is a calm, happy and caring school."
