19 January 2024

Dear Parent/Carer

Year 9 Options Evening, Year 9 Meningitis and Teenage Booster Vaccinations, Travel

Welcome to my end of week update letter. A very brief one this week. We have braved the cold weather and held a successful Year 8 parents' evening, as well as positive rehearsals for our upcoming show (more about that next week):

Year 9 Options Evening

This will take place next Wednesday, on 24 January 2024. Prospectus documents, course detail sheets and schedules for options evening will be shared very soon with students by Mr Ward and his team. Any queries in relation to options can be sent through via our dedicated email address options@srpa.co.uk.

Year 9 Meningitis and Teenage Booster Vaccinations

On Wednesday 24 January 2024, we will be hosting meningitis and teenage booster vaccines. By now, you should have received your consent letter from the NHS. At the time of writing, appointments can still be made.

Travel

As we approach a new season, both the mornings and evenings are slowly becoming lighter. However, we have been contacted by members of the public stating that students are not always using lights on their bikes. We would strongly encourage parents and carers to ensure that their child has the relevant safety equipment.

As our Year 9 students approach their options week next week and will be making some really important decisions, I am reminded of the words of American actor Angelina Jolie, who said "Make bold choices and make mistakes. It's all those things that add up to the person you become."

Good luck to Year 9 for next week.

I will write again soon.

Yours faithfully

Mr D Hardy
Headmaster

"This is a calm, happy and caring school."
