Welcome to my end of week update letter. This edition is jam packed with pre-end of term updates, so I will keep the beginning and end brief.

Personal Development Day 5

On Tuesday 21 May 2024, it is our penultimate Personal Development Day, where our entire curriculum is dedicated to wider learning. This term, our focus is living in the wider world, with many of our activities supporting careers and next steps, character development and fiscal awareness.

All of our students will continue on our Learning 2 Learn (L2L) programme. This series of sessions from Year 7 through to Year 13 supports students understand how they learn and supports their wider understanding of habits, skills and qualities that will enhance and develop their ability to be reflective.

In Key Stage 3, Year 7 are learning about administering first aid, what the United Nations is, what it stands for and planning a trip to a theme park to develop their budgeting skills. Year 8 have a packed programme of activities too with The Showroom trip for character building activities, sessions looking at the history of democracy as well as the Tyre Challenge – a sustainability problem solving activity. Finally, Year 9 round off Key Stage 3 with work planning and exploring their own next steps and activities focussing on why numeracy is such an important skill to have.

In Key Stage 4 and 5, we have two year groups focussing on final revision for their external examinations. We have a full programme of revision for Year 11 focussing on their final week examinations. Students will also be signing up to any potential revision sessions in Term 6 through a Microsoft Form questionnaire. This will help our Year 11 team plan additional support for students moving into Term 6.

Year 13 have been given study time on the day to support their preparations for their final examinations too.

In Year 10, our students focus predominantly on fiscal learning with two sessions on mortgages and bank accounts. Their afternoon sessions will look at the wider faiths and religions with the humanities team.

Finally, Year 12 will be having a focus on their culinary skills with our Fakeaway Challenge, where they compare their own favourite takeaway with a home cooked version of the same dish.

The other half of the day will be in our 'Talk the Talk' workshop, looking at developing confidence and skills in communication.

Latest Apprenticeship Vacancies

Attached are the apprenticeship details that are currently being advertised in the Lincoln area.

Mrs Mather sends comprehensive details out regularly to all Year 11 and Year 13 students to support with their next steps. We will be including these periodically in my letters to give parents/carers this overview too. If your son or daughter does require any specific next steps support, then please contact Mrs Mather directly at smather@srpa.co.uk.

Year 7 SEND Review Invitations

Mr Adlington has already sent our invitations to all affected parents/carers. If you do have any queries in relation to this, please email Mr Adlington via SEND@srpa.co.uk. Thank you.

GL Testing – Years 7 – 10

Next week, we will begin our updated assessments to test reading and spelling age progress. This will be completed during lesson time and there is no preparation required in advance.

Leaving Plans for Years 11 and 13

As mentioned in a previous letter, next **Friday 24 May 2024** will be leavers' day for both Year 11 and 13. We have some assemblies and activities planned that will not affect examinations and we will publish details closer to the event.

National Theatre Connections Festival

National Theatre Connections Festival is an annual event that champions the talent of young people from across the UK. Every year, NT commission new plays for young people to perform, connecting the UK's most exciting writers with young theatre makers.

We were given Replica by Titas Halder. We performed at our home venue and were visited by Director Kash Arshad for feedback and development. We then performed this at the Nottingham Playhouse.

All of the technical elements were designed and run by our students.

"This is a calm, happy and caring school."

Out of over 40 different interpretations of the play, ours was selected to transfer to the National Theatre. On Friday 28 June 2024, we will perform at the Dorfman Theatre, London. Between now and then we will work with Directors and production teams from the National to further develop the production before the final performance. The writer of the play and other industry professionals will be in attendance. We will also have the opportunity to watch the final productions of the other 9 plays to celebrate the end of the festival.

This is testament to the outstanding contribution that Miss France and her team offer to the Academy.

St John's Cadet Unit Fundraiser – 1 June 2024

I have been approached by two students who have asked me to provide information about the upcoming St John's Cadet Unit fundraiser.

Does cake, games, tombola, a great day out for the kids and raising money for a great charity sound like a good way to spend the day? Why not go down to St John's Ambulance at Low Moor Road, North Hykeham on 1 June 2024, open from 10am to 2pm. There's fun to be had by all.

Stay Safe Partnership's Upcoming Online Safety Q+A Events for Parents

Being able to keep up to date with the latest apps and trends in order to keep your children safe can feel like an overwhelming task. The Stay Safe Partnership deliver Online Safety workshops in Primary and Secondary schools across Lincolnshire every day.

In this event, you will be provided the most up to date information and tools, so you feel confident that you can keep your children safe from online harm whilst still allowing them to explore the online world. Whether you want to know more around age-appropriate apps, online trends, parental controls, social media or any other burning questions this is the event for you!

19 June 2024 6pm - 7:30pm. Event sign up required

Navigating Teen Relationships Online Event for Secondary aged parents 10 June 6pm - 7:30pm

The Lincolnshire Domestic Abuse Partnership (LDAP) will run a one-hour online Teams workshop on the 10 June 2024 6pm - 7:30pm. During the evening, LDAP will discuss signs of unhealthy relationships, coercive control, love bombing and other red flags to look out for in your teens and where you can get support. The team is also happy to answer any questions you may have through the night <https://buytickets.at/staysafepartnership/1238653>.

"This is a calm, happy and caring school."

School Guide Certificate of Excellence – 2023/2024

Due to the overwhelming improvement in already high standards, the Academy has been awarded a 4 star certificate of excellence by SchoolGuide.co.uk. This is based on academic excellence, and a unique combination of DfE performance data and Ofsted views.

This is testament to the reputation of the Academy and the quality of education available to our youngsters from Year 7 to 13. My whole staff team deserve thanks and credit for this because of the excellent role they play each and every day to serve our young people in North Hykeham.

With a week until half term, the examination period is wholeheartedly in full flow and both Year 11 and 13 have stepped up to the plate remarkably well. Examination seasons require good habits, consistency of routine and determination to do your best. In the words of author, Ralph Marston, “excellence is not a skill, it is an attitude”.

Continued best wishes to our examination groups, it is never too late to make a difference to the final outcome.

Have a good weekend when it comes.

I will write again soon.

Yours faithfully

Mr D Hardy
Headmaster

happy and
caring school.”
