### 1. Aims

#### 1.1 This policy aims to:

- Provide a consistent approach to behaviour management that is applied equally to all students
- Define what we consider to be unacceptable behaviour, including bullying and discrimination
- Outline how students are expected to behave
- Identify any safeguarding concerns that are the root of any unacceptable behaviour
- Summarise the roles and responsibilities of different people in the Academy community with regards to behaviour management
- Outline our system of rewards and sanctions
- Consider what extra support can be offered to groups of students who are at a higher risk of exclusion, or students who are particularly vulnerable to the impacts of exclusion

#### 1.2 Basic Rights

Sir Robert Pattinson Academy believes that all members of its community (adults and students) have the right to be treated with respect and valued as individuals. Basic expectations (in the form of a simple code of conduct) of students are displayed in all teaching rooms and in other relevant areas. Students are frequently reminded of their responsibilities and behaviour expectations. The Academy is sensitive to the needs of all students including those with SEND in line with the Equality Act 2010 while ensuring standards of behaviour across our Academy remains high.

The aim of this document is to set out expectations of behaviour, how good behaviour will be encouraged, set out how inappropriate behaviour will be corrected and promote a consistent and shared approach for the whole Academy community.

The way that students and staff feel about themselves and the Academy environment affects the way they behave.

## 8. Rewards and Sanctions

Taking disciplinary action and providing appropriate support are not mutually exclusive. The House team will often adopt both at the same time.

Teachers can sanction students who's conduct falls below the standard we could reasonably expect from them. The Academy will apply this policy where required and having fully investigated so that the sanction can be fair, reasonable and proportionate. All sanctions applied are visible on the Go for Academy's App.

When considering the behaviour of any student with SEND, the Academy will carefully consider whether the student understood the rule or instruction, and whether they were unable to act differently on account of their SEND.

We will then assess if it is appropriate to use a sanction and if so, whether any adjustments need to be made to the sanction.

### 8.1 List of rewards and sanctions

Where required, the following sanctions will be applied:

- Verbal warnings

- Low level disruption

(This list is not exhaustive and our referrals will depend on the nature/severity of the incident).

We welcome parent/carer support with this matter to minimise disruption to the Academy with managing students' property.

In the event of a confiscation, in respect of our banned items policy, the item may be turned over to the local police.

In accordance with section 69 of Behaviour in Schools July 2022, parental consent is not required for detentions but we will always look to work with families and ask for your support.

Any length of sanction in the hub includes a 4.15pm, same day finish for each day the student is serving. In line with the DfE policy – [Behaviour in Schools](#), the parent/carer is expected to make arrangements for the young person to get home at 4.15pm. ### **Praise And Reward Systems**

Praising students, rewarding achievement and a structured system of reward, raises self-esteem. It encourages students to attain high standards by raising expectations, recognising achievements and increasing confidence and self-belief.

Praising students is something teachers do all the time in lessons. Verbally acknowledging students' efforts, achievements, attitude and behaviour is an integral part of every successful lesson or interaction between staff and students in all aspects of Academy life.

Examples of rewards include:

- House points
- Exceptional Effort
- Star of the lesson
- Star of the term
- Invitations to reward events

## **8.2 Zero-tolerance approach to sexual harassment and sexual violence**

The Academy will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Students are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The Academy's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The Academy has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
  - Manage the incident internally
  - Refer to early help
  - Refer to children's social care
  - Report to the police

Please refer to our child protection and safeguarding policy for more information on our website.

Any sanctions will be in line with our sanctions escalator.

### 8.3 Off-site behaviour

Sanctions may be applied where a student has misbehaved off-site when representing the Academy. This means misbehaviour when the student is:

- Taking part in any Academy-organised or Academy-related activity (e.g. Academy trips or events)
- Travelling to or from Academy, including on school or public transport
- Wearing our uniform

Sanctions may also be applied where a student has misbehaved off-site, if the misbehaviour:

- Could have repercussions for the orderly running of the Academy
- Poses a threat to another student or member of the public
- Could adversely affect the reputation of the Academy

In line with page 26 of the statutory behaviour guidance 2024 'The decision to sanction a pupil will be lawful if it is made on the school premises or elsewhere at a time when the pupil is under the control or charge of a member of staff of the school.'

### 8.4 Malicious allegations

Where a student makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the Academy will discipline the student in accordance with this policy.

Where a student makes an allegation of sexual violence or sexual harassment against another student and that allegation is shown to have been deliberately invented or malicious, the Academy will discipline the student in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the Academy (in collaboration with the local authority designated officer, where relevant) will consider whether the student who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The Academy will also consider the needs of staff and students accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other students.

## 9. Behaviour management

### 9.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages students to be engaged
- Display the code of conduct
- Develop a positive relationship with students, which will include:
  - Greeting students in the morning/at the start of lessons (GUSTO)
  - Establishing clear routines

- Communicating expectations of behaviour in ways other than verbally
- Highlighting and promoting good behaviour including through the issuing of rewards
- Concluding the day positively and starting the next day afresh
- Having a plan for dealing with low-level disruption
- Using positive reinforcement

## 9.2 Removal from classrooms

Staff will only remove students from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal such as risking the health and safety of the classroom.

## 9.3 Physical restraint

In some circumstances, staff may use reasonable force to restrain a student to prevent them:

- › Causing disorder
- › Hurting themselves or others
- › Damaging property

Incidents of physical restraint must:

- › **Always be used as a last resort**
- › Be applied using the minimum amount of force and for the minimum amount of time possible
- › Be used in a way that maintains the safety and dignity of all concerned
- › Never be used as a form of punishment
- › Be recorded and reported to parents

## 9.4 Confiscation

**Any prohibited items found in students' possession will be confiscated.** These items will not be returned to students.

We will also confiscate any item which is harmful or detrimental to Academy discipline. These items may be returned to students after discussion with senior leaders and parents, if appropriate. Please refer to our policy on searching, screening and confiscation for further details (available on our website)

Searching and screening students is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

## 9.5 Student support

The Academy recognises its legal duty under the Equality Act 2010 and the Children and Families Act 2014 to prevent students with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the student and will deploy best endeavors to meet the needs of those with SEND.

The Academy's special educational needs co-ordinator will evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs. For a student in care or with a social worker, collaboration with the virtual Academy will be ongoing.

When acute needs are identified in a student, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

The Academy will anticipate likely triggers of misbehaviour and put in place support to try to prevent them.

## **9.6 Safeguarding**

The Academy recognises that changes in behaviour may be an indicator that a student is in need of help or protection. We will consider whether a student's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, we will follow our child protection and safeguarding policy.

## **9.7 Reasonable Force**

Authorised staff may use reasonable force when conducting a search for items covered under our Banned Items policy and Search, Screening and Confiscation policy in the Academy.

## **10. Student Transition**

To ensure a smooth transition in the Academy, a full transition programme is offered. This allows all stakeholders to be clear on the expectations and support in place for all students.

## **11. Training**

Our staff are provided with training on managing behaviour as part of their induction process.

Behaviour management will also form part of continuing professional development.

Key staff also receive enhanced training in restraint, positive handling as well as the National professional Qualification in Leading Behaviour and Culture.

## **12. Monitoring Arrangements**

This behaviour policy will be reviewed by the Head Teacher and the full board of trustees at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour log.
