Dear Parent/Carer

Ofsted, Winter Awards Evening, Reports for Years 7 – 10 and RP6th

Welcome to my end of week update letter.

It's fair to say, it's been a really busy one given the two events below. Thank you to all parents and carers who have supported us in both contexts.

Ofsted

Obviously, I am not able to talk about the outcome of the inspection just yet, but we are still smiling despite it being a very long week. Thank you to all parents and carers who completed the parental survey. The report will not be out until well into January, but I will stay in touch with you all about the outcome in due course.

Winter Awards Evening

Last night, we held a really successful celebration of the academic success from last summer at GCSE and A Level. It was wonderful to see so many students return to us, and I really enjoyed catching up with them after the prize-giving. Huge thanks must go to Sophie Wells OBE for her inspiring talk as she reminisced about school and since leaving us in 2008. She has agreed to join our alumni programme and we look forward to seeing her back in the Academy in the New Year to inspire our students.

Reports for Years 7 – 10 and RP6th

These reports should have been published today. Year 11 reports will follow after the Christmas break.

I will sign off this week with the inimitable words of the former Prime Minister, Benjamin Disraeli who said, "Through perseverance, many people win success out of what seemed destined to be certain failure."

Have a good weekend when it comes.

I will write again soon.

Yours faithfully

Mr D Hardy
Headmaster
