Dear Parent/Carer and Student,

Welcome to Sir Robert Pattinson Academy.

You are on the verge of joining a new family and I am very excited to work with you in partnership over the next few years to support you in being the happiest, safest, very best you can be. I can't wait to meet you all properly and I speak for the whole of my team when I say that we are going to work really hard to help you fulfil your hopes and dreams over the next few years.

We are using a secure online platform to gather information about our new Year 7 students. It is, therefore, very important that you complete all information so that we can get to know you better. You will receive an email from **Applicaa** with a link to our online system with your log in details. If you cannot find your email, please check your spam or junk folder.

To make your transition into Sir Robert Pattinson Academy as smooth as possible, please ensure this information is completed and submitted by **Monday 31 March**. Should you have any technical queries please contact Mrs Keogh on lkeogh@srpa.co.uk.

In the coming weeks and months, we will produce some content for you to introduce some of our key staff members including your Heads of House. They are all very eager to meet you and to find out who is in each House. Mr Kirk is about to begin arranging visits to your primary school so that you are even more prepared and supported for the change.

We will also post new content on our Instagram feed and, just for you, we will send you a 'Frequently Asked Questions' (FAQ) document so that many of your more obvious questions are answered prior to you starting with us.

Looking forward to meeting you.

Yours sincerely

Mr D Hardy
Headmaster
