

4 April 2025

Dear Parent/Carer

Year 11 and 13 Easter School, KS3 SEND Coffee Afternoon, Year 11 Parental Engagement Event, Healthy Video Viewing

Welcome to the final weekly letter of this term.

Yet again, time has flown by since we returned after Christmas and our spring term has been filled with much to celebrate. As the Easter break is about to begin, it is a good time to reflect on the past twelve school weeks and how far we have come, from building and decoration work to sporting successes and some really great curriculum experiences for our youngsters in between.

There are still a few updates to share with you below:

Year 11 and 13 Easter School

We are running classes for some subjects next week in order for our examination students to be fully prepared. To ensure we can safeguard all students with a limited number of staff on site, attendance to the Easter School is by invitation only. All students who have been invited will have received their invitations by now and should have responded via a completed reply slip or an email to the relevant subject teacher to confirm attendance. There will be further opportunities for intervention, in addition to the comprehensive offer already in place, during PD lessons in term 5.

KS3 SEND Coffee Afternoon

This was a really successful event for our Key Stage 3 parents and a huge thank you to all those who came to visit us. We will hold another one soon.

Year 11 Parental Engagement Event

This was also a successful event and another huge thank you to all the parents who visited us. I am sure it was useful. The resources will be sent out separately for parents to access.

Healthy Video Viewing

The American Psychological Association has created a guide which can be shared with parents to help support teenagers develop healthy online viewing habits. [Healthy Video Viewing – a Guide for Parents of Teens](#)

The Easter holidays always bring some time for quiet thought and rest as the weather hopefully improves and the flowers begin to grow. As the author, Richelle Goodrich, once said, "Easter is the soul's first taste of spring."

Let's hope for some good weather and a chance to relax. I wish you all a lovely Easter break when it comes. We have an INSET Day on Tuesday 22 April with students back in class on Wednesday 23 April. Until then, stay safe and have fun.

I will write again soon.

Yours faithfully

Mr D Hardy
Headmaster
