

27 March 2026

Dear Parent/Carer

## **Year 11 Education Records, Easter School Interventions, Headmaster Tie Nominations**

Welcome to my end of week update letter.

It has been a productive week of preparations for Full School Assembly, end of term plans and final mocks for examination classes. To be fair, this week's letter is mainly for those year groups. Thanks must also go to those families who attended our KS4 SEND coffee afternoon. I hope it was useful.

### **Year 11 Education Records**

This week, we have begun the process of onboarding Year 11 as the first ever cohort to have access to this app from the DfE. This process will continue into next week as we mop up any absentees.

### **Easter School Interventions**

Plans for these sessions will be shared early next week. We are finalising available rooms with our building contractors because of invasive works around the site, especially in the Science, Art & Technology, Music and Drama blocks.

### **Headmaster Tie Nominations**

I have received a really good number of qualifying nominations this term, which is really pleasing. But it isn't too late. Should you wish to nominate your child for services to music, performing arts, sport, leadership or charity fundraising please email Miss Timbrell at [ltimbrell@srpa.co.uk](mailto:ltimbrell@srpa.co.uk).

For the summer term, we are adding a sixth category of debating. More about that in due course.

When we return, the summer examination series begins almost immediately. The future is coming and, for some, next steps and destinations will be upon them very soon. See this as an opportunity. In the wonderful words of the 26th American President, Theodore Roosevelt, "It's in the moments when you're not sure what to do that your future is being determined. Don't ignore those moments. Don't fear them. Remember your values. Remember your dreams. It is hard to fail, but it is worse never to have tried to succeed."

Have a good weekend when it comes.

I will write again soon.

Yours faithfully

**Mr D Hardy**  
**Headmaster**
