

22 May 2026

Dear Parent/Carer

Timetable Changes, Year 12 Parents' Evening – 3 June 2026, Year 8 Vaccinations – Friday 19 June 2026, Year 11 and 13 Leavers

Welcome to my end of week update letter. While it is fair to say that this is a shorter letter, it is no less important given the day it is as we say goodbye to two year groups.

Timetable Changes

We are making some changes to timetables, particularly for classes in KS4 and KS5, where we are able to assign them the class teachers for term 6 who they will have from the beginning of the new academic year. This is possible due to some timely recruitment.

From 1 June, this will affect some classes and subjects across the academy. New timetables will be issued in due course if necessary.

Year 12 Parents' Evening – 3 June 2026

Appointments have been available to book since 18 May 2026 and will remain open until shortly after half-term. We look forward to meeting as many parents as possible on the evening.

Year 8 Vaccinations – Friday 19 June 2026

The School Age Immunisation Team will be coming to the Academy on Friday 19 June 2026 to give the HPV vaccination for your Year 8 child/ren. If you would like your child to receive the vaccination and haven't already consented, please see the attached letter provided for you with full information.

Year 11 and 13 Leavers

Today, we wish our Year 11 and 13 students well for the rest of the examination series and the future. Firstly, we hope everyone has enjoyed their final assemblies, the pizza and the cookies. We tried to keep that quiet for Year 11 until the very end...

Our 13s have been with me since the beginning and are the second cohort to complete a seven-year journey with me. That is a tremendous privilege for any Head and I am proud of all of them for the fine young adults they are becoming. Stay in touch and definitely join our alumni programme – rest assured that Mr Griffiths will never miss an opportunity to recruit you!

For Year 11, this represents the end of a five-year journey, but with many wonderful opportunities ahead of you. Whether you are staying with us into RP6th or moving on to pastures new, we wish you every success, good health and much joy. I hope to see many of you soon in Year 12.

You all know I love my quotes. Today was either a Gandalf quote from Return of the King or the inimitable Jack Kerouac from his novel On the Road – “What is that feeling when you’re driving away from people and they recede on the plain till you see their specks dispersing? – it’s the too huge world vaulting us, and it’s goodbye. But we lean forward to the next crazy venture beneath the skies.”

I wish all of our families a restful half-term and a lovely bank holiday. I am off to the League Two Play-Off final at Wembley with all fingers crossed.

I will write again soon.

Yours faithfully

Mr D Hardy
Headmaster

SIR ROBERT PATTINSON ACADEMY

Dear Parent/Guardian,

Your Year 8 child(ren's) HPV vaccination is now due.

Please click on the following link to complete the online form to either consent or decline for your child(ren): <https://www.lincolnshireimmunisations.co.uk/Forms/HPV>

You will need to enter the following code to ensure the completed form can be correctly allocated to your child's school, SIR ROBERT PATTINSON ACADEMY:
EE137135

The HPV vaccine protects against several types of Human Papillomavirus which are linked to an increased risk of certain types of cancer, including cervical, mouth and genital.

Leaflets that include more information about the vaccine can be found here:

<https://www.lincolnshirecommunityhealthservices.nhs.uk/our-services/childrens-services/immunisations>

If we have received consent, we will see your child(ren) in school for their vaccination between April and July.

We will visit your child(ren's) school on at least 2 separate occasions. If we are unable to vaccinate your child in school, we will contact you to make further arrangements.

The decision to participate in the vaccination process is legally that of your child. Whilst parental consent is respected, the vaccination can be given if your child wishes to have it and they have been assessed as having the capacity to consent and show a level of maturity and understanding of what the vaccination involves. Similarly, if you consent on behalf of your child and they refuse the vaccination, it will not be given.

For more information see link below:

[Consent to treatment - Children and young people - NHS](#)

If you have any queries, or require support completing the form, please contact the School Age Immunisation Service on 01522 572950.

Yours sincerely,

School Aged Immunisation Service
